

## Applying for Wood Stove on the Internet

- Go to the DSI website at <http://www.stpaul.gov/dsi>
- Click the **Online Permits** button at the bottom left of the DSI Main Page – the **Minimum Requirements** page will open.
- If you met the minimum requirements, then click on the **Permits Online** logo (picture of a city skyline) and the **City of Saint Paul Permits Online** page will open (see image below).
- Click on **Apply for a Permit**.

- The **Login** page will appear next (see next page).
- There are several options available on this page but if you have already registered, then type in your **email address** and **password** in the appropriate input boxes and click the **Login** button
- If you have not registered yet, click on the **Register Now** button and follow the directions to do so. **You must be registered with our Online Permit system in order to apply for a permit.**
- If you have forgotten your password, input your email address in the appropriate box and then click the **Recover My Account** button.

Proceed

Move Top

- As you can see above, **Mechanical Permit** appears in red as the **Permit Type**.
- Next, select the **Sub Type** and **Type of Work**. (New is for a new structure, Repair/Alter is used for repair of an existing device, and Replace is used for replacing an existing device or adding a new device.)
- Click the **Proceed** button once you have highlighted your choices.

Selected Permit Details

Permit Type: Mechanical Permit

Sub Type: Wood Stove

Work Type: Residential Replace

Please choose Job Site address

House Number:

Street Name:

When entering the Street Name in the above input box, please do not include street type (St., Ave., Blvd) or street direction (N, S, E, W).

Move Top

- The next page is for you to enter in the address of the job site.(see above image)  
Type the house number and street name in the appropriate input boxes. **Please note that you only have to put in the street name. You do not need to include street directions or street types like Ave, Blvd, N, or S.**
- If you need help spelling the street name, click **Pick a Street** button. This will display a second screen that will allow you to pick the first letter of the street name and then pick the actual street name from a list.
- The **Selected Permit Details Verification** page will appear next.(see below)

- On this page, you are able to review all of your choices for **Permit Type**, **Sub Type**, and **Work Type**.
- You will also want to double check to make sure you choose the correct **Job Site Address** as well.
- Once done, click the **Proceed** button.
- The following page is the **Permits Online Detail/Application** page.
- This is a list of what is expected to be entered on this page.
  - *Description of Work:* Enter a short description on what you will be doing.
  - *Location:* Enter the location on the property where the work will be done.
  - *Owner's First/Last Name:* Enter the owner's name, first then last.

### Submit

**Submit the Application**

Once you have filled out the required information, please click the 'Proceed..' button.

[Move Top](#)

- Click **Proceed** at the bottom of the screen when you have entered all the necessary information.
- The next page is the **Balance Due** page. (see next page). This page allows you to go back and make any changes to the information you placed on the previous page. To do so, simply click the button that has the address labeled on it.
- If all the information is correct, press the **Finish** button.

The screenshot shows a web application titled "Permits Online" with a navigation bar containing "Map", "Info", "Main", "City Contact", and "Web Contact". The main content area displays a "Permit List" for the address "1116 RANDOLPH AVE" with a balance of "\$58.50". Below the list, it states: "The online portion of your application is complete. If you want to review or edit the information regarding this permit, click the relevant address button above. Upon review of your application, any applicable additional fees will be applied. Total permit fees will be available upon issuance of the permit." A "Finish" button is located at the bottom right of the content area.

ADDRESS	BALANCE
1116 RANDOLPH AVE	\$58.50
Total Due:	\$58.50

The online portion of your application is complete. If you want to review or edit the information regarding this permit, click the relevant address button above. Upon review of your application, any applicable additional fees will be applied. Total permit fees will be available upon issuance of the permit.

[Finish](#)

[Move Top](#)

- When you are finished applying for a permit, the following page will appear acknowledging your application and giving you options from there.

The screenshot shows a "Thank You!" page in the same web application. It includes a message: "Thank you for applying for a permit. Your application will now be reviewed by City staff. You will be contacted by email with any questions, application modification requirements, or when your application is approved." Below this, it says: "Please press the Main button above to apply for another permit. Click on the link below to view status of my (your) permits. To log off close this browser." A link labeled "View status of my permits" is provided. A "Move Top" link is at the bottom left.

**Thank You!**

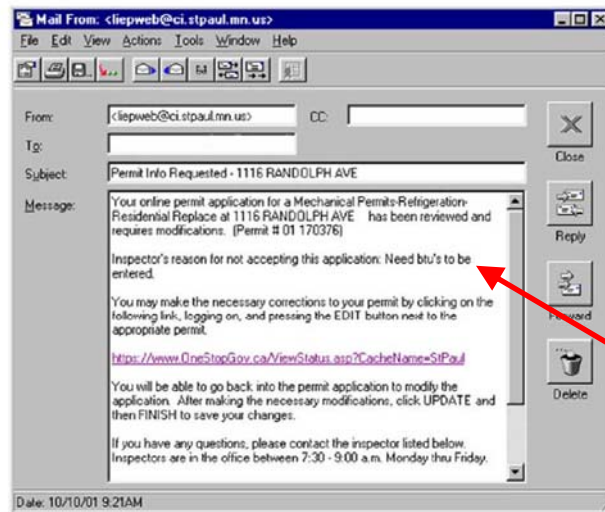

Thank you for applying for a permit. Your application will now be reviewed by City staff. You will be contacted by email with any questions, application modification requirements, or when your application is approved.

Please press the Main button above to apply for another permit. Click on the link below to view status of my (your) permits. To log off close this browser.

[View status of my permits](#)

[Move Top](#)

- All Mechanical Permits must be reviewed and approved by appropriate City Staff before they can be issued. Payment is not due until the permit is approved. If further information is required, you will receive an email similar to the following:

- The information needed to process your permit application is in the second paragraph, “Inspector’s reason for not accepting this application”. In this example, the inspector is requesting that the BTUs be entered.
- When you click on the link in the email, the **Login** page will open. Enter your email address and password and press the **Login** button. The **Permit Status** page will then appear.

Map Info Main City Contact Web Contact

**Status**

**Approved to Pay:**  
The inspector has approved the permit and the customer can pay for the permit.

**Customer Review:**  
The customer needs to make modifications (requested by the inspector) to the permit application.

**Finalized:**  
The issued permit has been finalized by the inspector. Final inspection is complete.

**Inspected:**  
The issued permit has had at least one inspection done, but final inspection is not yet complete.

**Internet Pending:**  
A new permit application or modified permit application waiting for inspector approval.

**Pending:**  
The permit application was not submitted online, but was sent through the mail, faxed or delivered to the Office of License, Inspections and Environmental Protection. The permit application is waiting for approval by city staff.

**Rejected:**  
The permit application has been rejected by the inspector. An email is sent to the contractor telling them their permit application has been rejected.

**Under Review:**  
The permit application is under review by the inspector. The inspector has not requested modifications to the permit application.
